

HOPE project evaluation form for teachers

Date	Hope school from:	Name and surname:	Have your students improved their political awareness? Do they understand the global politics better?	Are your students more tolerant towards different attitudes and points of view	Is your school able to organise an MUN conference (or another debate event) on your own?	Have your students improved their foreign language skills?	Are your students more confident to communicate and debate important global topics?	What communication/language skills have your students improved? (you can choose more)	Are your students able to gather, evaluate and process information better?	Is your school more active in the field of charity and pro-social activities?	Are your students ready to support activities helping those in need?	Have your school developed sustainable students-mediator structures (student mediation)?	If you answered no, please explain why
11/20/2019 8:55:23	Luxembourg	Sandra Galli	5	4	5	5	5	public speaking, diplomatic writing, vocabulary	4	4	5	3	Since our school benefits from the support of psychologists and educators, we didn't implement peer mediation as such at school, but a well-being group where students from the 11th and 12th grade could become on a voluntary base tutors for students from the 7th grade aged 12 years old.
11/20/2019 10:40:54	Germany	Dorothee Röwekamp	5	4	5	5	5	public speaking, diplomatic writing, vocabulary, comprehension, communication	5	3	4	4	
11/20/2019 13:54:21	Germany	Silke Horst	5	4	5	5	5	public speaking, diplomatic writing, vocabulary, communication	5	5	4	5	
11/20/2019 14:35:14	Slovakia	Imrich Milo	4	5	5	5	4	public speaking, diplomatic writing, communication	4	5	4	2	Our school has a fully employed psychologist and we got into problems related to the GDPR legislative. Our students debating the topic stated that students are too old and too independent to seek this form of counselling.
11/20/2019 16:44:40	Germany	Kerstin Kottkamp	5	5	4	5	5	public speaking, diplomatic writing, vocabulary, comprehension, communication	4	4	4	5	
11/20/2019 21:16:05	Germany	Jessica Stefener	4	5	5	5	5	public speaking, vocabulary, communication	4	5	4	5	
11/21/2019 2:09:14	Poland	Daniel Szczygiel	5	5	5	5	5	public speaking, vocabulary, comprehension, communication	5	5	5	3	Due to lack of problems to be solved as well as psychological counsellor's help - working at school.
